TRANSMITTAL OF SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Pursuant to the duty of disclosure under 37 CFR §§1.56, 1.97, and 1.98, applicant submits herewith a Supplemental Information Disclosure Statement (IDS), accompanied by Form PTO/SB/08a along with copies of the prior art references listed therein. These prior art references were cited in an Office Action dated May 11, 2010 by the Japanese Patent Office in a related Japanese Patent Application No. 2004-524033 (this Japanese application corresponds to PCT/IL2003/00620, the priority of which is claimed in the instant application). A copy of that Office Action is enclosed herewith as well.

Since the listed documents are either in the English language, or are accompanied by an English language abstract, no concise explanation of their relevancy is required, as pointed out in 37 CFR §1.98(a)(3)(i).

Pursuant to 37 C.F.R. §1.97(g) and (h), the submission of this Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not

to be construed as an admission that the information cited in this statement is material to patentability.

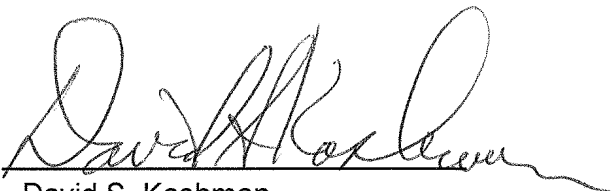

Inasmuch as the subject application has not yet received a first Office Action on the merits following the filing of a Request for Continued Examination by Applicant on December 9, 2009, this information is believed to be timely filed under 37 CFR §1.97(b)(3). Accordingly, consideration of the enclosed references is deemed proper, and is therefore respectfully requested.

No fee is deemed necessary in connection with the filing of this communication. However, if any fee is required, authorization is hereby given to charge the amount of any such fee to Deposit Account No. 07-1730, Docket No. 6553-008.

New York, N.Y.

Dated: November 12, 2010

Respectfully submitted
